

Microsystems and Smart Miniaturised Systems Information Day

23 June 2009
Avenue de Beaulieu 25 0/SdR1, Brussels (BE)

European Commission
Information Society and Media

DRAFT AGENDA

The ICT objective 3.9. "Microsystems and smart miniaturised systems" has a dedicated budget of 80 ME and covers R&D activities on 3 pillars: heterogeneous integration, autonomous energy efficient smart systems and application-specific Microsystems.

9:30 – 10:00	Registration
10:00 – 10:15	Welcome and Introduction <i>Augusto de Albuquerque, Head of Unit Microsystems</i>
10:15 – 10:45	"Microsystems and Smart Miniaturised Systems" <i>Francisco Ibanez, Deputy Head of Unit Microsystems</i> <i>Griet van Caenegem, Unit Microsystems</i>
10:45 - 11:00	Questions
11:00 - 11:20	How to write a bad proposal <i>Henri Rajbenbach, Unit Microsystems</i>
11:20 - 11:30	Questions
11:30 - 11:50	Private-Public Partnerships "Green Car" <i>Griet van Caenegem, Unit Microsystems</i>
11:50 - 12:10	Private-Public Partnerships "Factories of the Future" <i>Erastos Filos, Unit Microsystems</i>
12:10 - 12:30	Questions
12:30 – 14:00	Lunch
14:00 – 16:00	Opportunities for Networking: Proposers' presentations
16:00	Closing
